

## **Mitsubishi i-MiEV Test Drive Program**

As part of the i-MiEV launch Mitsubishi Motors will be offering the opportunity to test drive the car at the below dealerships. Should you be interested in attending the test drive program please advise us of your contact details and preferred dealership.

Dealership staff will also be on hand to facilitate such things as trade in valuations, and for those wishing to proceed with a purchase they will also be able to accept orders on the day.

State	Dealership	Suburb	Date	Time
